### News 2018 digest:

#### Trump now wants to hold families together indefinitely. But where will they stay?

At the current rate, family detention centers could be full after only eight days. And there are no plans to reunite those families that have already been separated.

---

#### Trump defends immigration decision at Minnesota rally

"We're going to keep families together," Trump said. "But the border's going to be just as tough as it's been."

---

### **'He was just howling': A foster mother takes migrant kids into her home**

"It's just painful to see a child this young have to go through that," said a Michigan woman who takes in children who've been separated from their families.

---

### **Why Trump was forced to back down on family separation policy**

Analysis: For a president who loves to dig in when he's criticized, a stunning about-face.

---

### **Ending child separation doesn't relieve Trump of responsibility for it**

The policy was the result of the complete immorality plaguing the Trump administration and the United States.

---

### **White House can't get its story straight on family separation. There could be legal consequences.**

What officials say publicly about family separation as a "deterrent" to migrants could affect whether it holds up in court.

---

### **Immigrant detainee diagnosed with chickenpox**

The head of the local prison guard union says there have also been cases of scabies at the Southern California facility.

---
