AP test debate: How much world history should high-schoolers know?

<p>The College Board announced recently that the Advanced Placement World History test will now start with the year AD 1450, excluding most history before European imperialism.</p>

Democrats scramble to find clear strategy against Trump's immigration policy

<p>Democrats have developed a 'kitchen-sink' strategy to both energize their base for the fall's midterm elections and fight against the Trump administration's immigration policy on separating families at the US-Mexico border. </p>

Poll: Most Americans approve of Trump's handling of North Korea

<p>The majority approval shows a sway in public opinion after the US-North Korea summit, according to The Associated Press-NORC Center for Public Affairs Research. It is President Trump's highest approval rating on a single issue on an AP-NORC poll since his inauguration. </p>

Next hurdle at the border: how to reunite children with families

<p>Organizations like the Texas Civil Rights Project have been working to collect information on undocumented children at the US-Mexico border before their parents are sent to jail or an immigration detention center for entering the country illegally. But civil rights groups say it's proving difficult to keep children and parents in contact.</p>
